Foreword

Hi Kids!

I'm here to help you remember,
The year that's gone before,
To show you in words and pictures,
Of studies, fun, and more.

So join me now in these pages,
For you we did carefully create,
To bring back the memories treasured,
Of the school year, '57-'58.

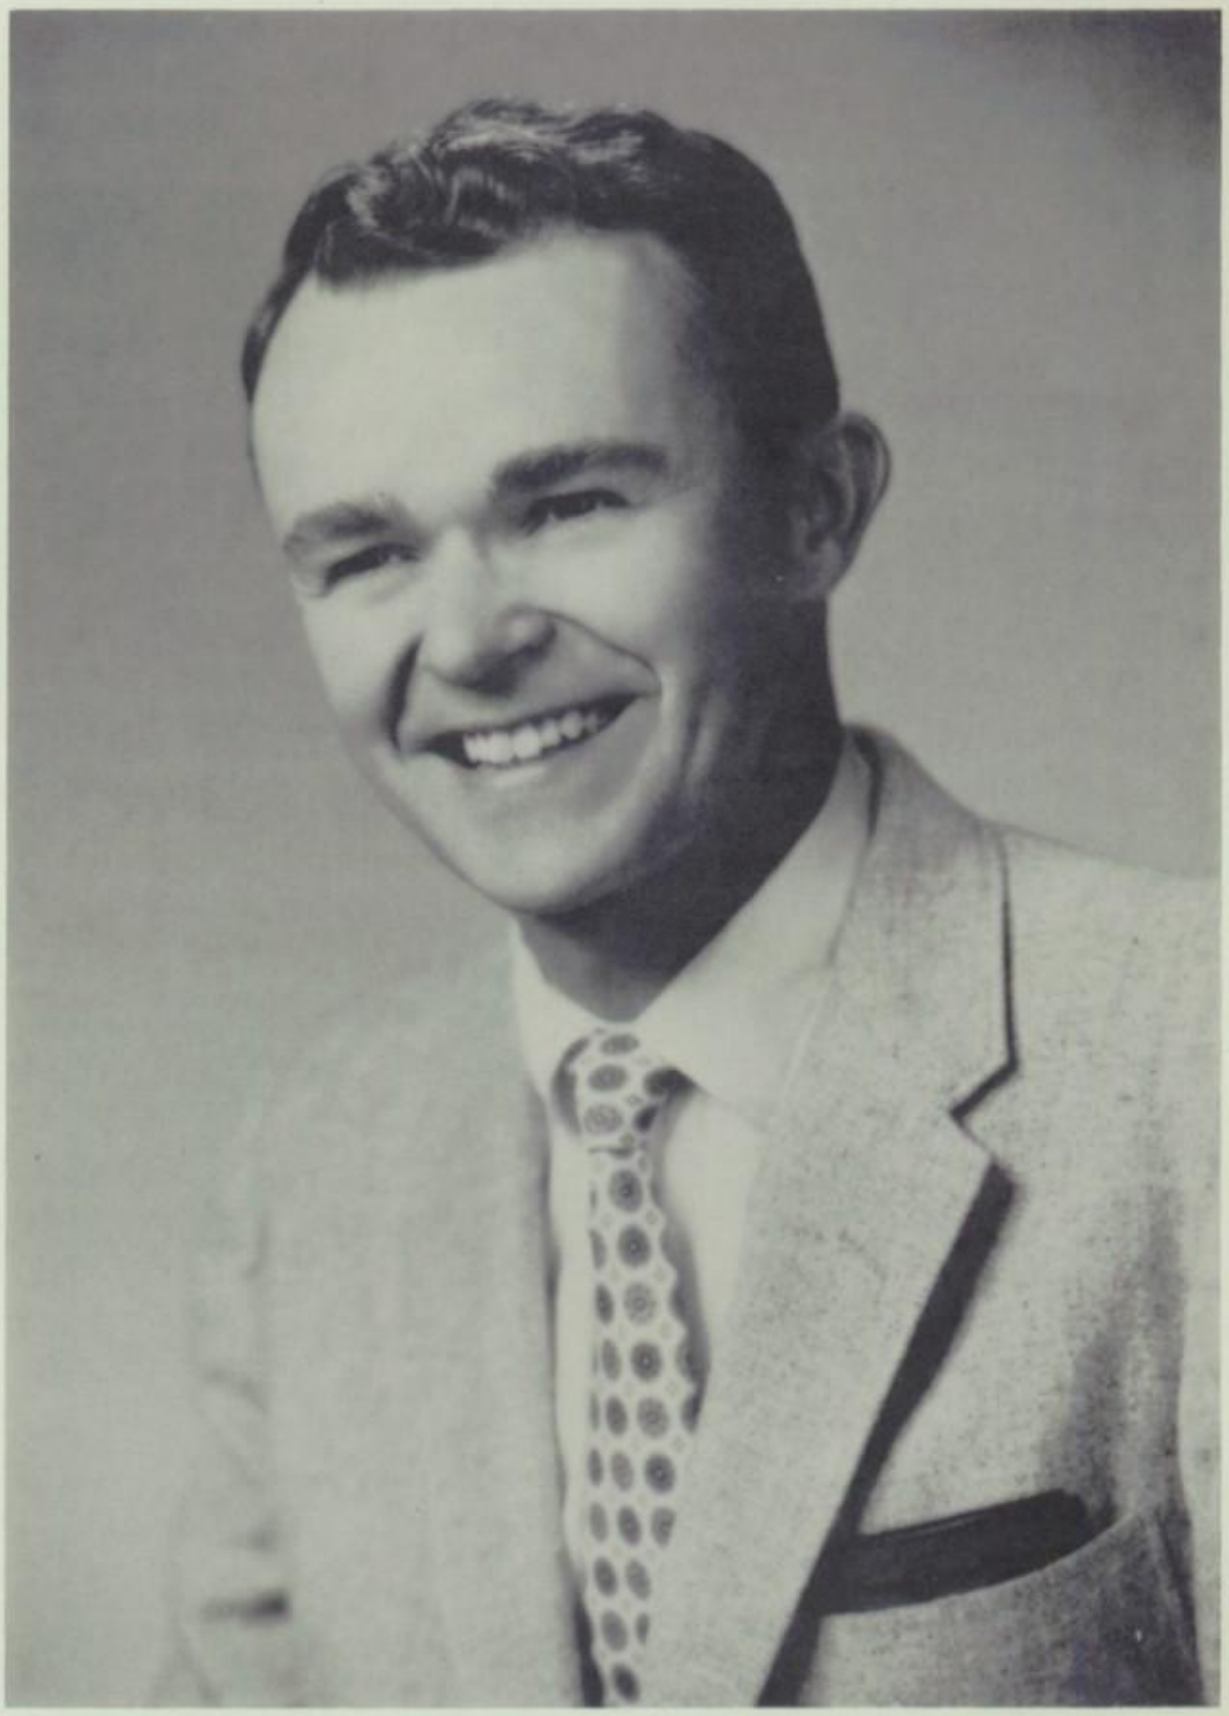
In Memory

JOSEF FASSBENDER

Probably no person has contributed more to Spearfish High School since its origin, than did "the man who took our pictures", better known to us as "Joe". Since 1927 he served as the school photographer, taking all the class pictures, photos for the annual, and other miscellaneous snaps which will remain to us as cherished memories.

His acquaintance with some of us began with our first baby picture, or maybe with our pre-school portrait. As time went by we became his frequent customers with various photos we took ourselves. Now, whenever we page back through our old yearbooks, or glance at our baby pictures or even view his magnificent still of the Shrine of Democracy hanging in the White House, we will always remember the small immigrant artist-photographer who was loved by all, and known to us as Joe, "the man who took our pictures."

Dedication



ROGER DAVIES

Dear Mr. Davies,

During the course of our high school days many faces and many personalities have left their imprint on our lives. Among these is one whom we shall remember because of his willingness to lend a helping hand even to the point of personal sacrifice. Whether it was a broken test tube, an experiment which backfired or a prom failure, your kind, patient instruction was never disheartening. Your sense of humor, your kindness, your adherence to fair play and the recognition of our efforts are attributes of your character which we shall long remember. An eagerness to build and maintain high standards in your classroom have been an inspiration to us.

To you, Roger Davies, in remembrance of your guidance and friendship and the many hours you so unselfishly gave, we dedicate this the 1958 Spartan.

Spontaneous applause broke out as he extended his hand to Miss Cundy, SHS Day queen.

Queen LaVon Cundy, who was chosen by the largest number of votes in the high school said, "I am sure that you just don't know how I feel."

The two other candidates, Donna Burckhard and Judy Black, accompanied the queen on all of her appearances.

notes, or I presume they were. Not being interested, I didn't bother to read them.

I just don't understand some people. The wastebaskets are conveniently located at the front and back of the room, but it seems the only time they get used is when some girls search desperately to find something to throw away so they can get an extra good look at the boy they're chasing and meanwhile hope he's looking at them. Yes, love is grand, at least it keeps paper out of the desks!
